

# BEAUVOIR SUMMER

## BEAUVOIR POOL POLICIES & PROCEDURES

(REVISED FEBRUARY 8, 2022)

### Pool Policies

- The Snack Bar will be open! Please enjoy snacks in a socially distant manner – outside the pool gate and away from the check-in desk.
- Except for water, no other food or drink is allowed on the pool deck.
- Please follow all safety guidance provided. Lifeguards who are actively lifeguarding should not be distracted from their primary duties (safety and member surveillance) with secondary duties such as monitoring if members are following the set of conditions set forth in the Mayor's Order and CDC (social distancing, wearing a cloth mask etc.)
- Staff and lifeguards have the authority to eject any member who does not comply with the social distancing and safety requirements after a warning is made to the patron.

### Social Distancing Requirements

- Pool capacity will be limited in accordance with the social distancing requirements set by the District.
- Always maintain social distancing when not in the water.
- Members must keep a 6-foot distance while in the pool and on the grounds and decks, except for members of the same household.

### Facility Procedures

- A sign-in log will be maintained; each member using the pool shall sign in, with the date, time of visit, apartment number and cell phone number, to facilitate contact tracing should that become necessary.
- Soap and hand sanitizer will be maintained onsite for members' use.
- Staff will clean the floors, toilets, and sinks daily.
- All pool furniture, such as chairs and loungers, will be cleaned and sanitized periodically.
- COVID warning signage has been posted.
- Indoor restrooms and shower facilities will be open and operational for members.
- Drinking fountains will be cleaned frequently in accordance with CDC and the DC Health Department guidelines; however, we encourage members to bring their own water.

- We ask any person experiencing symptoms of COVID 19 to not come to the Beauvoir Pool.

### Restrictions and Infection Control: Required by DC

- Pool is open for members only with social distancing policies in place while swimming, in the changing rooms or restrooms, and on the pool deck areas.
- Difficult-to-clean pool equipment or equipment that is meant to come in contact with the face (i.e., goggles, nose clips, and snorkels) may not be shared outside of family members.
- Pool parties will not be permitted.
